

Art Machine: A Reinvention of Photography, 1959-1999 (Paperback)

Filesize: 7.76 MB

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

(Abe Reichel DDS)

ART MACHINE: A REINVENTION OF PHOTOGRAPHY, 1959-1999 (PAPERBACK)

BookBaby, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. ArtMachine: A Reinvention of Photography is the story of the long war for photography's acceptance in the art world during the last decades of the 20th century. More than just a history or a biography, this book is an insiders" view of the photography world. It has been written by a practicing photographer, who was also the founding photography curator of the oldest museum in America, and who became an important photographic historian and collector of photography. More than just a history or a biography, Clark Worswick s, ArtMachine: A Reinvention of Photography, 1959-1999 is an insiders" view of the photography world. It has been written by a practicing photographer, who was also the founding photography curator of the oldest museum in America, and who became an important collector of photography. In his introduction to this book, the author wrote, I began taking photographs and tried to learn the history of a neglected, beaten down, battered medium few people took seriously in the art world. I wandered a world barren of respect during decades of struggle for photography." In 1959, on the planet earth, there was not a single dealer who represented a single photographer s work, because photography was not an art." This is also a book about love and dangerous travel, and the heroic reinvention of photography in the art world. To date, few books have appeared on the texts of a working photographers life immersed in projects that cross years, then decades. Fewer books still, exist as seen from the point of view of a historian/collector, who wrote the first books on the classical 19th century photography of India, China, Japan, and later the Middle East, compiling in the...
