

Bourgery: Atlas of Anatomy and Surgery, 2 Vol.

Filesize: 4.43 MB

Reviews

It is not difficult in go through easier to understand. It normally fails to price too much. I am very happy to inform you that this is actually the greatest ebook i actually have read through within my personal lifestyle and can be he best publication for ever.

(Miss Ebony Brakus IV)

BOURGERY: ATLAS OF ANATOMY AND SURGERY, 2 VOL.**DOWNLOAD**

Taschen. Hardcover. Book Condition: New. Hardcover. 722 pages. Dimensions: 13.9in. x 10.1in. x 3.2in. Anatomically correct: Bourgery's monumental and unsurpassed treatise. We owe a great debt to Jean Baptiste Marc Bourgery (1797-1849) for his *Atlas of Anatomy*, which was not only a massive event in medical history, but also remains one of the most comprehensive and beautifully illustrated anatomical treatises ever published in any language. In 1830, having received his doctorate in medicine three years prior, Bourgery began work on his magnificent atlas in cooperation with illustrator Nicolas Henri Jacob (1782-1871), a student of the French painter Jacques Louis David. The first volumes were published the following year, but completion of the treatise required nearly two decades of dedication; Bourgery lived just long enough to finish his labor of love, but the last of the treatise's eight volumes was not published in its entirety until five years after his death. The four parts of Bourgery's treatise cover descriptive anatomy, surgical anatomy and techniques (exploring in detail nearly all the major operations that were performed during the first half of the 19th century), general anatomy and embryology, and microscopic anatomy. Jacob's spectacular hand-colored, life-size lithographs are remarkable for their clarity, color, and aesthetic appeal, reflecting a combination of direct laboratory observation and illustrative research; the images are to this day unsurpassed in anatomical illustration. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
