Tate Publishing Company, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A personal conviction of what really matters is what brings such dedication to a Higher power. This world is temporary and therefore the situations that come about are never as bad as one can make them seem to be. These are a few basic poems that show how Amanda Lyssy has walked through about two months of her life, with the hand of God. Reading between the lines is key to finding yourself in each poem. I pray that each person in this world, not just those who get a hold of this book, has his or her own personal conviction of what really matters in life. What else would it be than the One who gives true life, Jesus Christ. Don t turn your mind off yet. Read and see that even those of us who are saved Saints of God are just as down to earth as the next person. You too are a saved saint of God, all you have to do is repeat the prayer on the last page of this book and your eternity is taken care of.
