Do our dreams become part of our reality? Einarr, a young warrior, follows a riddle from his father to find the treasure of his life. Gaby, a little girl and passionate reader, makes an amazing discovery within the pages of an antique book. Pat climbs a mountain to escape overwhelming changes in his life and his sick pregnant wife. Set in three different time periods, we accompany the protagonists and their individual stories through the challenges and discoveries that change their lives forever. Although separated by time, their adventures and encounters are intricately intertwined across the years. What all of the characters in this book have in common may change your life forever. The mystery, adventure and discoveries in Pursuit will have you claim your very own destiny. --- The legends of Mount Pilatus mentioned in this book were taken from the Pilatus official website and other sources. Believe them or not. It is the authors conviction that such legends and myths have originated with some story or other. Do dragon s exist. Let the reader decide.
