Random House USA Inc, United States, 1999. Paperback. Book Condition: New. New edition. 198 x 127 mm. Language: English . Brand New Book. Modern Library Harlem Renaissance What would happen to the race problem in America if black people turned white? Would everybody be happy? These questions and more are answered hilariously in *Black No More*, George S. Schuyler's satiric romp. *Black No More* is the story of Max Disher, a dapper black rogue of an insurance man who, through a scientific transformation process, becomes Matthew Fisher, a white man. Matt dreams up a scam that allows him to become the leader of the Knights of Nordica, a white supremacist group, as well as to marry the white woman who rejected him when he was black. *Black No More* is a hysterical exploration of race and all its self-serving definitions. If you can't beat them, turn into them. Ishmael Reed, one of today's top black satirists and the author of *Mumbo Jumbo* and *Japanese by Spring*, provides a spirited Introduction. The fertile artistic period now known as the Harlem Renaissance (1920-1930) gave birth to many of the world-renowned masters of black literature and is the model for today's renaissance of black writers.
