This strategy accomplished: 1. Increased client loyalty. 2. More money per invoice. 3. Service appointments booked in advance. 4. Sets you apart from your competitors. 5. Reduces re services up to 70 . I know I did it for years and made a six figure income in my carpet cleaning business. For you carpet cleaners this strategy allowed me to stop doing the cleaning myself. When you try to sell a service business the first question a business broker will ask you is do you do the cleaning yourself if you answer yes, they will tell you they can't sell a job. I sold my companies thru business broker for tremendous profits and for 90 to all cash at closing. If you own a service business and you're tired of getting rid of with marketing ideas that never work than this book is what you have been looking for. I have never seen any marketing systems as inexpensive like this one. This marketing system will work with your daily schedule. If you're not implementing these strategies than your competitors are stealing your clients and you don't even know it. The best part is if you have a phone a computer and a little time that's all it takes. I know you're not as busy as you would like to be otherwise you wouldn't be searching for new ideas. If you want to get a jump start on my program after you buy my book please email me with...
