STRESS MANAGEMENT

Global Vision Publishing House, 2010. Hardcover. Book Condition: New. The book entitled Stress Management is a comprehensive and critical study of the various dimensions of stress and, accordingly, it attempts at exploring the different techniques and strategies for its management. This book essentially deals with the meaning and nature of stress and depression with a particular reference to women and children. Psychological models of stress and illness as well as stress and psycho-physiological disorders, different techniques of stress management, like...
