AMERICAN HEALTHCARE A MODERATE APPROACH

[DOWNLOAD](#)

Paperback. Book Condition: New. Paperback. 86 pages. American Healthcare: A Moderate Approach is a political outsiders examination of the modern American healthcare crisis. The focus of the book tends towards the Patient Protection and Affordable Care Act of 2010, better known as Obamacare. The book explores the vast differences between healthcare and health insurance and challenges the reader to consider who benefits most from the installation of state-mandated health insurance. It also scrutinizes the corporate-influenced positions that both Republicans and Democrats have used to warp the political discussion around healthcare. Above all, the book strongly acknowledges that there is a need to reform the healthcare policies of the United States and provides a number of reasonable, common-sense approaches towards fixing the system. None of these solutions involve kowtowing to corporate interests. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
