If your student can write a paragraph, your student can write anything from an essay, to a research report, to an in-depth story. It all starts with one simple trick. Teach this trick in minutes, have your students practice it several times, and your students will have a solid grasp for writing paragraphs. Use this trick to write stories, summarize stories, write reports, and more. No assignment is too difficult. Check out How To Teach the Five Paragraph Essay to see how to extend the one simple trick to essay writing and beyond.
