

Succeeding King Lear: Literature, Exposure, and the Possibility of Politics

By Emily Sun

Fordham University Press. Paperback. Book Condition: new. BRAND NEW, *Succeeding King Lear: Literature, Exposure, and the Possibility of Politics*, Emily Sun, This book investigates Shakespeare's *King Lear* and its originative power in modern literature with specific attention to the early work of English Romantic poet William Wordsworth and to the American writer James Agee and photographer Walker Evans's 1941 collaboration, *Let Us Now Praise Famous Men*. It examines how these later readers return to the play to interrogate emphatically the question of the relations between literature and politics in modernity and to initiate in this way their own creative trajectories. *King Lear* opens up a literary genealogy or history of successors, at the heart and origin of which, the author claims, is a crisis of sovereignty. The tragedy famously begins with the King's decision to give up his throne and divide the kingdom prior to his demise. In bringing to light the assumptions behind this logic, and in dramatizing its disastrous consequences, the play performs an implicit analysis and critique of sovereignty as the guiding principle of political life and gestures, beyond sovereignty, towards the possibility of a new aesthetic and political future. The question of the relations between literature...
