This is the epic dramatic story of Emily, a story of love, war and revenge. Emily, orphaned in early childhood through the criminal acts of a despotic government, against all odds excels in her school studies, and goes on to study law at Harvard. It is here that she teams up with the American twin brothers Eddie Scarface and Ed The Brain and the Harvard graduates mastermind a daring plan to oust Africa's last remaining hardline dictator. Many twists and turns are encountered in the war, and an unlikely love triangle emerges; but liberty comes at a very high cost.
