William Penn (1644-1718) was an English real estate entrepreneur, philosopher, and founder of the Province of Pennsylvania, the English North American colony and the future Commonwealth of Pennsylvania. He was an early champion of democracy and religious freedom, notable for his good relations and successful treaties with the Lenape Indians. Under his direction, the city of Philadelphia was planned and developed. In 1681, King Charles II handed over a large piece of his American land holdings to William Penn to satisfy a debt the king owed to Penn's father. This land included present-day Pennsylvania and Delaware. Penn immediately sailed to America and his first step on American soil took place in New Castle in 1682. On this occasion, the colonists pledged allegiance to Penn as their new Proprietor, and the first general assembly was held in the colony. Afterwards, Penn journeyed up river and founded Philadelphia. However, Penn's Quaker government was not viewed favorably by the Dutch, Swedish, and English settlers in what is now Delaware. They had no historical allegiance to Pennsylvania, so they almost immediately began petitioning for their own Assembly. In 1704 they achieved their goal when the three southernmost counties of Pennsylvania were permitted to split off and become the new semi-autonomous colony of Lower Delaware. As the most prominent, prosperous and influential city in the new colony, New Castle became the capital. As one of the earlier supporters of colonial unification, Penn wrote and urged for a Union of all the English colonies in what was to become the United States of America. The democratic principles that he set forth in the Pennsylvania Frame of Government served as an inspiration for...
