

A Vampire's Christmas Carol (Paperback)

Filesize: 3.89 MB

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. New York Times and USA Today best-selling author Cynthia Eden heats up the holidays with A VAMPIRE'S CHRISTMAS CAROL. This holiday season has bite. Ben Prescott hates Christmas—he's a vampire, and to him, there's certainly nothing jolly about the holiday season. While the humans are running around being merry, he's hunting in the shadows. Ben plans to spend the holidays his way, by stalking deadly prey. But fate has other plans for Ben. Three visitors are coming Ben's way. A demon who will force Ben to face his past, a ghost who will show Ben the present he could have, and a shifter who will reveal the darkness that waits in Ben's future. Unless Ben can change his ways, he may just turn into a real monster, one who can't be saved by anyone or anything. Tis the season to be undead. Ben's redemption rests in the hands of the one woman he loved and lost—Simone Laurent. If Ben is going to have a chance at being more than just the beast in the darkness, he has to prove himself to the lovely Simone. A very hard task, considering that, once upon a Christmas Eve, Simone died in Ben's arms. Warning: This story features one very tortured vampire, a sexy ghost from his past, and hot scenes designed to melt the winter snow. Plenty of action, adult situations, and steamy times are ahead.
