

The Lebensborn Experiment: Hitler's Quest to Establish a Master Race (Paperback)

By Scott Grant

Createspace, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This story examines a rarely discussed part of World War II history as seen through the eyes of the victims who were sacrificed by madmen. Their sacrifices should be used as a warning to future genetic scientists who become involved in uncharted moral territory. History does indeed repeat itself. The allied powers at first flinched in the face of Nazi genocide and eugenic reordering of humankind which allowed the death camps to be built. Today it is difficult to discern between Planned Parenthood's contribution to the harvesting of fetal organs and body parts and the work of Mengele's research with infants in Auschwitz especially when you consider Margaret Sanger's early funding contributions to Hitler's eugenics program. Hitler came close to winning World War II. The very reason he didn't win was because ultimately he lacked long term vision. His pathological hatred for Jews and the so called hybrid races made himself and his National Socialists world class pariahs. Blinded by his early military successes with his invasion of Poland the subsequent invasion of...
