This loose and inaccurate method of making the return is in direct violation of the statute, and defeats one of its principal objects. Every mill, or arrastra, or reduction works of any character, is required by the law to keep an accurate list of the name of every mine from which ore was delivered, and to furnish a sworn statement of the same to the assessor. Of course, in a district having the numberless locations of Reese river, a person bringing ore to mill may easily impose a fictitious name on the superintendent; but the name of the mine should be required in every instance, and no such unmeaning entries as Vankeo Blade, Cortez. and c, should be allowed to appear in the statement. The whole number of tons of ore reduced during the quarter was 1, 438, which produced the sum of...
