Morine Slayton-Nixon served as a faithful member of New Temple C.O.G.I.C for 2 years. During this time she had some of the worst valley experiences in her entire life. She moved from Dayton to Columbus Ohio in the year 2004. This meant leaving a job, house, family church and a list of other things. This was a turn of events that left her in the middle of no where. This move meant meeting new people and starting new relationships. She went from having plenty to do in the church, to pretty much not having anything to do at all. As far as ministry went, she didn't know where she fit or if she could. One evening while sitting down at her computer, She put her hands to the keyboard and the Lord just began to minister to her right where she was. The Lord understood every thing she was going through, even when no one else could. He let her know that everything was going to be ok. And told her he understood her pains and he could relate to each and everyone of them. For he was touched by the feelings of my infirmities the chastisement of our sins were laid upon him and by his strips we were healed. God is truly good! Rom 8:28 NIV And we know that in all things God works for the good of those who love him, who have been called according to his purpose.
