## JOURNEY TO THE CENTER OF THE EARTH (PAPERBACK)

[DOWNLOAD](#)

Bantam Doubleday Dell Publishing Group Inc, United States, 2006. Paperback. Book Condition: New. Reissue. 173 x 104 mm. Language: English . Brand New Book. Written almost a century before the daring flights of the astronauts, Jules Verne's prophetic novel of man's race to the stars is a classic adventure tale enlivened by broad satire and scientific acumen. When the members of the elite Baltimore Gun Club find themselves lacking any urgent assignments at the close of the Civil War, their president, Impey Barbicane, proposes that they build a gun big enough to launch a rocket to the moon. But when Barbicane's adversary places a huge wager that the project will fail and a daring volunteer elevates the mission to a manned flight, one man's dream turns into an international space race. A story of rip-roaring action, humor, and wild imagination, *From the Earth to the Moon* is as uncanny in its accuracy and as filled with authentic detail and startling immediacy as Verne's timeless masterpieces *20,000 Leagues Under the Sea* and *Around the World in Eighty Days*.
