This simple guidebook will provide you with an honest insight about real estate investing and what it takes to win big. If you have ever considered creating another source of income with this vehicle, this is the book for you. Being a smart investor is knowing what to look for in real estate properties and how to assess them correctly to give you the highest return on investment. Smart Investors Guide To Profiting In Real Estate will teach you how to pitch hard money lenders and use O.P.M. (other people s money) while potentially minimizing risk. This is the real-life experience and insight of what happens beyond real estate investing seminars and what skills you need to learn to succeed. If you are looking for a step by step guide on how to calculate real estate properties to see if they are worth your time, this book is probably not for you. This book is written to give you an honest insight of how much work it took on my part to find business partners and connect people who have money with the real estate properties I had. If you are not willing to put in the work and learn from someone who has experience in real estate investing, real estate development, being an agent and a broker then I recommend that you find something else that does work for you. Smart Investors Guide teaches you what I have learned from the best of the best in real estate and what advice they have given me. It...
