The whole concept if biohacking lies on the foundations of do-it-yourself so you won t be able to gain success until and unless you are willing to engage your body in self-experimentation. With respect to fitness, biohacks are a tad bit complex, in a sense that they would be pretty much personal to everyone and one generic hack would hardly apply to each individual. A little deeper and it would mean that biohacks would depend on the topic of interest, which could either be increased power, muscle, or fitness. The whole methodology of biohacks is threefold, which is explained in the subsequent paragraphs. If you re really...
