This is the story of a magical, musical monk of a man named Pio, and a wild woman-child named Lilly who was raised by birds and animals and is twice as free as them all. It takes place in Provence, France, sometime before the industrial revolution, when humans still lived in harmony with the sun and moon. I know in my heart of hearts that the potential of life is wondrous beyond our highest dreams, and that a very great Love is at work, right now, in this world, to wake us up from a very old spell of a sense of separation and transform our relationship to God, ourselves, each other, animals,...
