The Faceless Reflections of Bullying: Special Edition is direct, raw, and exposes a side of bullying most people cannot handle or do not want to acknowledge because it is so unpleasant and painful. If you have been bullied, this book will help you go from underdog to over-comer. If you have not been bullied, then you will come to understand how being bullied feels. If you are a bully, you will learn the devastation your harsh actions can cause to another. And, if your loved one committed suicide because of bullying, you will discover answers to your whys. The book is divided into ten sections and packed full of honest feelings, helpful knowledge and advice. The following is a sampling: Section Two: I Have Been Feeling Negative, focuses on the painful emotions of being bullied. Section Four: Blogs of Wisdom, features blogs on topics such as: home schooling, suicide, self-acceptance, social isolation, slut shaming and more. Section Five: I Am Starting To Feel Positive concentrates on your ability to take the control back and turn your bullying situation around for your good. Section Six: Dear You reads as if you are talking with a caring friend who gets it and offers you advice, compassion and direction without judgment. Remember, words always matter. They can hurt worse than punches. They can lift you up. They can tear you down. Therefore, choose them wisely. Never let a bully win. Fight back. Live.
