iUniverse, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Leave this book on your coffee table and I guarantee your girlfriend will blush! Typically, erotica is aligned with the spirit of romance novels-dramatic and emotional with watered-down descriptions of sex. However, in the tradition of erotica written by men, such as the Marquis de Sade, this book contains more mechanical, visual descriptions of sex with less melodrama. Author Prendergast reveals erotic thoughts and dreams within the most random characters--a single mother, a priest, a French art historian, a goth teenager, an exotic voodoo-practicing duchess, an uptight English barrister, and a sassy black nurse. All of these combine to make for an enjoyable, genuine read with subtle humor and fun, sexy encounters. In the opening story, Birth of a Slut, Prendergast begins hard and bold with a group of basketball players pulling a double train on two hot, fit college girls. One is a sweet, loyal good girl whose man has recently cheated on her, while the other is an inimitable slut, the amazing, sexually-insatiable Katie who is both disarmingly charming and shamelessly promiscuous. Read only this first story, wanker, and you will be hooked.
