Text Publishing Co, Australia, 2016. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. I disapproved of bankers, on principle. Not that I knew any. Until this job, I had worked and made friends with people who shared my views. Mostly moral, mostly kind. An unlikely candidate, then, for the job of executive speechwriter, to be putting words in the mouths of plutocrats deeply suspicious of metaphors and words of more than two syllables. An unlikely candidate, too, to be working for a firm whose ethic was borrowed in equal parts from the Marines, the CIA, and Las Vegas. A firm where women were about as welcome as fleas in a sleeping bag. Wall Street in the mid-1990s: the recession is over and finance companies are gearing up for the next boom. Cath - wisecracking Australian-born bedrock feminist, unreconstructed left-winger - has given up freelance writing for corporate life at one of the big investment banks. Her husband, Bailey, has Alzheimer's, and they need serious money. For seven years Cath lives in two worlds, both of them mad. By day she grapples with the twisted logic and outsized egos of high finance. By night she witnesses the inexorable decline of the man she loves as, ravaged by disease, he is reduced to a nub . Wise, unsentimental and darkly funny, Kate Jennings Moral Hazard is a crisp accounting of looming meltdowns - financial and personal.
