Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Author and nationally renowned financial advisor, Alan Becker, is based in the Kansas City suburb of Overland Park, Kansas. Alan is a true entrepreneur who has artfully crafted thousands of comprehensive retirement plans over his 17-plus years in the finance industry. Alan started Retirement Solutions Group, Inc. and RSG Investments, Inc. in 2010, and has grown them to help pre-retirees and retirees achieve their retirement dreams and goals. He has built a philosophy around honest communication and using the correct product for the job. He believes goals and needs dictate the insurance product or investment vehicle applied to each individuals unique situation, not the other way around! This book is for those who realize they have worked their entire lives for what they currently hold as assets, and the imminent "finish line" is quickly approaching. While some people avoid looking too closely at life from a retirement planning perspective, seeking knowledge and expertise is paramount to the financial health and well-being of ones retirement. With this book, Alan stands out to suggest some new concepts that are often missed by traditional financial professionals. Step out of the box and let him grab your eyes, ears and thoughts for a few moments. With a focus in retirement planning, Alan highlights the different elements of risk that insurance and the stock market carry as vehicles for your assets. Both systems have places they fit best in a plan, and you as an individual and a consumer should know your options. You should decide for yourself what makes the most sense for you and your loved ones. Using the idea of insurance products as a foundational portion of...
