Shambroom is a master of creating the "perfect" photograph at these meetings. to digitally replace the facial expression of one the meeting's members with another from another exposure, is perfectly natural and entirely "photographic." "Meetings" is a poignant reminder of the craziness of democracy, the drawn-out process of consensus, and the way we take ourselves, ultimately, with more seriousness than we probably should. From the publisher: "Paul Shambroom is a Minneapolis-based photo artist who, over a period of four years, attended hundreds of town council meetings across the United States. Photographing the..."
