

On the Genealogy of Morals (Paperback)

Filesize: 6.85 MB

Reviews

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mr. Stone Kunze)

ON THE GENEALOGY OF MORALS (PAPERBACK)

Penguin Books Ltd, United Kingdom, 2014. Paperback. Book Condition: New. Reprint. 196 x 128 mm. Language: English . Brand New Book. The companion book to *Beyond Good and Evil*, the three essays included here offer vital insights into Nietzsche's theories of morality and human psychology. Nietzsche claimed that the purpose of *The Genealogy of Morals* was to call attention to his previous writings. But in fact the book does much more than that, elucidating and expanding on the cryptic aphorisms of *Beyond Good and Evil* and signalling a return to the essay form. In these three essays, Nietzsche considers the development of ideas of good and evil ; explores notions of guilt and bad conscience; and discusses ascetic ideals and the purpose of the philosopher. Together, they form a coherent and complex discussion of morality in a work that is more accessible than some of Nietzsche's previous writings. Friedrich Nietzsche was born near Leipzig in 1844. When he was only twenty-four he was appointed to the chair of classical philology at Basel University. From 1880, however, he divorced himself from everyday life and lived mainly abroad. Works published in the 1880s include *The Gay Science*, *Thus Spoke Zarathustra*, *Beyond Good and Evil*, *On the Genealogy of Morals*, *Twilight of the Idols* and *The Antichrist*. In January 1889, Nietzsche collapsed on a street in Turin and was subsequently institutionalized, spending the rest of his life in a condition of mental and physical paralysis. Works published after his death in 1900 include *Will to Power*, based on his notebooks, and *Ecce Homo*, his autobiography. Michael A. Scarpitti is an independent scholar of philosophy whose principal interests include English and German thought of the eighteenth and nineteenth centuries, as well as exegesis and translation theory. Robert C. Holub is currently Ohio...
