Like many girls LA s age, she dreams of becoming a famous singer and dancer. One day her mother informs her that she is going to have a baby, and LA is semi okay as long as her new sibling is a girl. This life changing news rattles her world and she fears she will no longer get attention or be loved. When LA discovers the baby is a boy, she thinks it is unfair and uses her video recorder to make a video diary while turning to her Bible to help her through the emotional struggles. She becomes curious and learns the process of a baby s development through educational books. When her new baby brother arrives six weeks early and is admitted to the NICU, she realizes that she wants to become a doctors or nurse because they are hero s to admire. LA forms a strong loving bond that she never expected and she is a proud big sister.
