Scholastic Teaching Resources, United States, 2010. Paperback. Book Condition: New. 270 x 208 mm. Language: English . Brand New Book. In this collection of standards-based activities, teachers find the leveled materials they need to differentiate comprehension instruction for the range of learners in their classes. Each activity set features a high-interest reading passage that students read independently. Companion activities target specific skills at three levels--below-level, on-level, and above-level. Teachers select the appropriate skill sheet for each student, and students use the reading passage to answer questions at their level. Comprehension skills include predicting, sequencing, understanding cause and effect, identifying main ideas and details, and more! For use with Grades 2-3.
