### ***Reviews***

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Product Description: HARNMASTER THIRD EDITION is the boxed-set edition with 160 looseleaf pages, a pad of color character profiles, and a GM Screen. The HarnMaster character generation system gives players a rich Harnic experience. Characters may start the game with a wide variety of interesting occupations, and at various levels of experience. Introductions to religious, Shek-Pvar, and Military occupations are included. Average incomes for all occupations and information about the guild system is included. Character contacts with (potentially) influential people are generated allowing players to explore relationships and advance their social standing. HARNMASTER THIRD EDITION uses a realistic interactive combat system that gives players many tactical options to control their combat destiny. The system is elegant, simple and easy to use. The system is largely unchanged from the second edition and migration is easy. For example, the same character sheet is used. Also the Magic and Religion supplements are 100% compatible with 2nd and 3rd editions of HarnMaster. HARNMASTER THIRD EDITION Mounted combat is now as an integral part of the combat system. SIZE rules are included to make combat with larger/smaller creatures more accurate. The HARNMASTER THIRD EDITION bestiary includes articles about some unique Harnic creatures (lvashu, Gargun and Yelgri) as well as statistics for many...
