Brand New Book ***** Print on Demand *****.Excerpt from Making Money Toward the close of pleasant September afternoon, in one of the years when the big stick of President Roosevelt was cudgeling the shoulders of malefactors of great wealth, the feverish home-bound masses which poured into upper Fifth Avenue with the awakening of the electric night were greeted by the strangest of all spectacles which can astound a metropolitan crowd harassed by the din of sounds, the fret and fury of the daily struggle which is the tyranny of New York.
