\*\*\*\*\*. Winning Spirit Baseball is written specifically for baseball

players who want to gain a competitive edge and a better

understanding of the habits and behaviors that are at the

heart of an athlete's success: confidence, communication,

work ethic, teamwork, practice and concentration. Winning

Spirit Baseball is also useful for parents and coaches who want

to support players in developing their mental game. This book

is full of basic and easy-to-understand messages and exercises.

You can read it straight through or randomly choose any

chapter you'd like. Each chapter stands alone and contains a

message and an activity to practice and think about. Several

chapters have similar themes, but require you to look at them

in different ways. As you let the messages sink in and put them

into practice, you find yourself having greater success both on

and off the field! Playing baseball is a great way to build

character, have fun, learn about other people, and develop

confidence, which are the most important qualities that any

athlete can possess.
